Stelzen-Art

Where art gets wings and dreams become reality
World-class stilt performances from Bremen | Germany

For more than 20 years, the Bremen artist group Stelzen-Art has stood for outstanding performances at the highest level. With over 200 performances annually and a repertoire of over 120 figures, they are one of the largest stilt groups in the world. Their spectacular costume creations and shows enrich every event and bring magic to the streets and squares of the world.

Whether as magical individual actors, playful duos or impressive formations with up to 20 artists: Stelzen-Art impresses with a unique mix of imagination, elegance and artistry. Their impressive figures - such as the colorful butterfly elves, the mysterious Time Travelers or the opulent flower creatures - float high above the audience's heads and attract everyone's attention.

The group's versatility is reflected not only in its creativity, but also in its international reach. Stelzen-Art has already enriched renowned events such as Formula 1 in Bahrain, Chinese New Year in Hong Kong and Macau and the world's largest book fair in Dubai. Performances in Namibia, Armenia and in front of the pyramids in Cairo are also among the highlights of her portfolio.

Under the artistic direction of Janine Jaeggi and Martin Sasse as well as a team of over 40 professional players, new, tailor-made creations are created every year. Stelzen-Art also works closely with organizers to develop individual concepts and make events an unforgettable experience.

Let yourself be enchanted by Stelzen-Art – a visual and emotional experience for young and old.
